VERSE 1

```
         B              F#
From the rising to the setting
    Eb    C#    F#
And all the in between
         B              F#
Each beginning, every ending
    Eb        C#    F#
What I hold and the unseen
              G#
It all belongs to You
      Bb/F#    B      C#
It all belongs to You
```

CHORUS

```
        F#
So I lift my voice in praise
         C#  B
I won't let the rocks cry out in my place
         C#    Eb
I live out each moment to honor Your name
   C#           B
It all belongs to You
              F#
It all belongs to You
```

VERSE 2

```
         B              F#
From the weeping to the laughter
    Eb    C#    F#
And all the in between
         B              F#
Every thought, every breath
    Eb        C#    F#
Lord I give You all of me
              G#
It all belongs to You
      Bb/F#    B      C#
It all belongs to You
```

CHORUS

```
        F#
So I lift my voice in praise
         C#  B
I won't let the rocks cry out in my place
         C#    Eb
I live out each moment to honor Your name
   C#           B
It all belongs to You
              G#           B
It all belongs to You
```

BRIDGE

```
F#                                    Bb/F#    B
     Every dream I've ever dreamed, it all belongs to You
                                        C#      Eb
     Every doubt and disappointment, it all belongs to You
                                        C#          B
     Every heartbreak, all my mistakes, it all belongs to You
              C#
     It all belongs to You
F#                                    Bb/F#    B
     My past and my present, it all belongs to You
                                  C#      Eb
     My family, their future, it all belongs to You
                                      F    C#      B
     My sorrow, all my thank Yous, it all belongs to You
              C#
     It all belongs to You
```

CHORUS

```
        F#
So I lift my voice in praise
         Bb/F#  B
I won't let the rocks cry out in my place
         C#    Eb
I live out each moment to honor Your name
   F    F#        B
It all belongs to You
   C#               F#
It all belongs to You
```
